23 We found love in a hopeless place

Shine a light through an open door
 Love and life I will divide
 Turn away cause I need you more
 Feel the heartbeat in my mind

It's the way I'm feeling I just can't deny
 But I've gotta let it go

We found love in a hopeless place
 We found love in a hopeless place
 We found love in a hopeless place
 We found love in a hopeless place

Yellow diamonds in the light
 And we're standing side by side
 As your shadow crosses mine...

We found love in a hopeless place
 We found love in a hopeless place
 We found love in a hopeless place
 We found love in a hopeless place
